

INDUSTRY FOCUS MAKES THE DIFFERENCE

You need a specialist in the Medical Device Industry with in-depth knowledge and a broad experience in International Business Development. A specialist with valuable experience in representing manufacturers from around the world and in managing distributor networks world wide.

Added value

Choosing for MedSupport Europe brings you in contact with a team successful in sales-, marketing-, and project management with a wide and active network of key people in the Medical Device Industry and in the clinical environment.

We are proud to be able to say we are a flexible, professional team, with an innovative, creative and eager approach, standing out in our custom made service, geared to match the needs of our customers.

Close cooperation

You can strengthen your organisation with experienced interim consultants of MSE. During a project they work closely together with you as principal. This is characterised by a proactive and committed attitude and open and speedy communication.

For each project MSE defines the specific needs and objectives of the assignment with the client. This results in a project plan specifying the approach chosen, the time frame and the cost involved.

Located at Nyenrode University

MedSupport Europe has it's office at the estate of the prestigious Nyenrode Business University (with 13th century castle). This gives MSE access to a tremendous network of knowledge and research capacity on the latest trends in marketing and business administration. We also have the possibility to use the extensive facilities of conference rooms, catering and hotel accommodation as and when needed. It is an inspiring environment to all involved.
